

Todd,

I just wanted to extend a BIG thank you on behalf of the Heart and Stroke Foundation of BC & Yukon. The feedback from our guests on your performance has been overwhelming. In a word, you were spectacular.

In the 25 years that we have been doing this event you are the first guest speaker/performer that has been given a standing ovation from our guests. Bringing your personal story about your daughter into your performance was remarkably impactful.

Thank you so much,

Best regards,

Sean
